PLENARY SPEAKERS

Keynote Speaker, Tony Tilly *President Fleming College*

Dr. Tony Tilly is President of Sir Sandford Fleming College. Appointed in 2004, Dr. Tilly came to Fleming with background in teaching, educational leadership and consulting. Tony's focus is a strategic plan with six priorities, including excellence in student learning, superior services and facilities, sustainability, growth with positive results, building community success, and developing the Fleming working environment. Tony serves on several community-based boards and the board of the Association of Canadian Community Colleges. He is immediate past chair of the Committee of Presidents of Ontario's colleges.

Lunch Speaker, Steve Rima *Vice President of AMEC E&I*

Steve Rima is a Vice President of AMEC E&I, where he has worked for 17 years. He has almost 40 years of experience in various nuclear sectors, including the military, weapons, nuclear power, and decommissioning and remediation. He has managed mill tailings cleanup projects in Colorado and Utah that were very similar to the Port Granby and Port Hope projects, and so has a unique perspective on using specialized skills and training to partner for success on such projects.
